FIELD SHEET

EXPOSURE AUDIT — ONCE A YEAR

Search for yourself. You will almost certainly find something forgotten.

WHAT YOU SEARCH FOR

SEARCH	WHAT COMES UP	REMOVED / REQUESTED ON
Full name		
Handles used		
Primary email address		
Secondary email addresses		
Phone number		
Profile picture (reverse search)		
Public registries and directories		
Old or forgotten accounts		
Known breach databases		

THREE FIXES TO MAKE STRAIGHT AWAY

Date of birth removed from profiles, on: _____

Contact list hidden, on: _____

Camera geolocation turned off, on: _____

REMINDERS

- Each item is harmless. It's the accumulation that forms an account recovery file.
- What matters to a fraudster is current information. Stopping the flow has an immediate effect.
- View your profile in public mode: that's the version of you a stranger sees.
