1 Who is posting?

New account, no history: non-existent until confirmed.

2 Is the image from this event?

Reverse search, on several engines. 30 seconds.

3 Where and when?

Terrain, rooflines, signs, shadows. A verified place needs no one's word.

4 What does the official source say?

Slow but accountable. Social alerts, official validates.

The 30-second rule

Before sharing: who is behind it, what other sources say, and what the original information is.

Trap: three sources copying one origin are still one source.
